(but feel free to ask any time!)

A New Challenge

Geeks On Call®
1 800 905 GEEK™

- The promise of access anywhere means now you have data **EVERYWHERE.**
- How can you unify all of these platforms?

Recommendations

- **Everyday users trying to set things up on their own: Google + Dropbox**
- **Users who have a little help and MUST have Outlook capabilities: Exchange + Dropbox**

- **Founded 1999, franchising since 2001**
- **Franchises in major cities across U.S.A.**
- **Focus on high-quality, onsite service**
- **VERY selective hiring**
- **NOT those geeks at Best Buy!**
- **Small businesses are our specialty**
